DUST STORM.

CITORI XT TRAP

BT-99 WITH ADJUSTABLE COMB

It doesn't take gale force winds and dry conditions on the open plains to produce a Dust Storm. It just takes a Browning trap shotgun. So batten down the hatches at the local trap range and prepare for the whirlwind storm of broken clays and thunderous applause. The ease of swing, the perfect alignment, the comfortable fit. These are the elements that set Browning trap guns apart from

the competition. Whether you choose the famed BT-99 or the legendary Citori XT Trap, the end results will be the same, more broken birds. Both trap guns feature an adjustable comb model and the Invictor-Plus™ choke system to customize each shooting situation. When it comes to accuracy, consistency and overall performance, Browning trap shotguns are simply **The Best There Is**™.

Dear Shooters,

The fourth annual Heartland Grand will take place from August 30th through September 5th, 2011. The atmosphere at the Stockdale Gun Club in Ackley, Iowa epitomizes our Heartland of America and I can't think of a better place to spend our nations Labor Day holiday than at the Heartland Grand.

Dale Stockdale and his family and friends have been working hard to complete another bank of traps to the east end of the current trap line, in addition to all of the other preparations that are done to make this one of the most beautiful facilities in the country. All of the countless hours of preparation and thought put into all aspects of the shoot will surely culminate in a Heartland Grand not to be missed.

Don't miss this exciting opportunity to earn All American Points, win great prizes, start off the 2012 ATA Target Year and most importantly join your friends at the fourth annual Heartland Grand.

Sincerely,

Jeff Wagner

SHOOTER'S RESPONSIBILITY

ENTRY AND SHOOTING PROCEDURE

- 1) **THIS IS A 2012 TARGET YEAR EVENT. PLEASE HAVE YOUR ATA & AITA DUES PREPAID IN ADVANCE.**
- 2) Take your average card to the classification desk. Do not attempt to make your program entries before doing so.
- 3) **BE SURE YOUR AVERAGE CARD IS UP TO DATE.** Be sure your classification and handicap yardage are marked plainly by a member of the handicap committee before you leave the table. It is your responsibility to know the rules. You are subject to penalties for shooting in the wrong classification or at the wrong yardage even if your card is so marked.

- 5) If you draw squad positions that will not be used for an event, please see our squadding personnel to release your position. Releasing your position allows us to fill holes in open squads, making this tournament more enjoyable for all shooters. **A shooter may not draw more than one (1) position per event.**
- 6) Squadding will be restricted to a maximum of 2 yards on a squad.
- 7) The cashier will accept no counter checks and the only type of cash or check accepted will be U.S. funds. Checks will be accepted for the amount of shooting fees only - No Exceptions.
- 8) No additions or withdrawals permitted on purses and options. **NO OPTIONS REFUNDED UNLESS EVENT IS CANCELLED.**
- 9) There will be a drawing made by the management at the sign-up building around 5:00 PM for bank assignments for each day. These bank assignments will be posted the night before at the club houses and around the trap line. If you sign up after the bank assignments have been posted, you must take a position on the first available squad. There will be no exception to this rule. Squads will be assigned to the first available bank that is able to accommodate squadding needs. Club management reserves the right to balance the fields.
- 10) Classification and Squadding/Cashiering will open:
Open Tuesday through Sunday – 8:00 AM to 5:00 PM and
Monday, September 5 - 9:00 AM to 1:00 PM.

RULES AND REGULATIONS

1) Should you win or tie for high in a class in any 16 yard or doubles event or earn yardage in any handicap event, it shall be your responsibility to report to the handicap desk and have your yardage increased or classification reviewed. Shooters winning or tying for high in class in event #7 and #9 will be advanced at least one class for the next like event. Any shooter whose class or yardage is changed for any reason shall be considered to be notified when the new class or yardage is posted on the bulletin board.

2) Any shooter failing to carry out rule 1 above or who shoots in an incorrect class or from a yardage higher or lower than that assigned by the handicap committee will be subject to disqualification and will not be eligible to share in any money division or be eligible for trophies.

3) A shooter may not win more than one trophy in the same event. If a shooter's score qualifies for more than one trophy, the shooter must notify the shoot management which trophy they desire to take or shoot-off for. Failure of the shooter to make notification within 15 minutes of that event's last scores being posted imposes on shoot management the duty to make the determination for the shooter. Shoot management shall give priority to category over class trophies. Concurrent special awards are exempt from this rule.

4) At all tournaments where All American points will be awarded, in any event, Shooters may declare only one (1) Category (i.e., Lady, Sub-Junior, Veteran, Senior Veteran or Chair-Shooter). Any shooter who is tied for event Champion may shoot-off/carry-over for the Championship trophy. If a shooter fails in the Championship trophy shoot-off/carry-over and has declared a Special Category, at classification, the shooter will fall back to his/her declared category. Any shooter who has declared a Special Category at Classification and whose score only qualifies him/her for any trophy in his/her declared Category will compete for the Category trophy and not for place, class or yardage group. Any Category shooter whose score doesn't qualify for a trophy in his/her Category may compete for place, class or yardage group.

5) Rule 3 above does not affect the right of all shooters from shooting off for event champion or place trophies. A special category shooter may enter into a shoot off for event champion only and fall back to special category but must declare intent prior to shoot-offs. A special category shooter that enters into a shoot off for runner up or place trophies must complete the shoot off and accept the results.

6) Any special category declaration is to be made at the time you are classified. For purposes of special category declaration the time of entry is when you are classified. Report special category omission on the bulletin sheets to the cashier's office.

7) Each shooter who is entitled to receive money won during any event agrees that if such money is not received by him during the period of this tournament, a check in payment for the money won may be mailed to him at the address indicated by ATA records, and when so mailed, the club will not be liable in any manner whatsoever for any check lost, stolen, unclaimed or otherwise not received by the shooter.

8) Management will not be responsible for errors in scores after the options have been posted. Shooter should use the electronic bulletin board and the score board to check their scores to notify shoot management immediately if a discrepancy is noticed. **Errors will be corrected upon discovery.**

9) Shooters who do not have a total of 500 16 yard targets registered with the ATA in the current and previous year will be advanced at least two classes or more at the discretion of the classification committee. Shooters without an established average shall be placed in class B or higher at the discretion of the classification committee.

10) Shooters who do not have a total of 500 doubles targets registered with the ATA in the current and previous year will be advanced at least two classes or more at the discretion of the classification committee. Shooters without an established average shall be placed in class b or higher at the discretion of the classification committee.

11) Shooters who do not have a total of 1000 handicap targets registered with the ATA in the current and previous year will be assigned penalty yardage or shoot their handicap card yardage whichever is greater. Yardage assignment for junior and adult males is 23 yards. Yardage assignment for lady, sub junior, veteran and senior veteran shooters shall be 20 yards.

12) All targets shot on Tuesday, August 31st and Wednesday, September 1st may be applied toward above target requirements. If target requirement is met, you must immediately return to the Handicap Desk and be re-classified. If requirements are not met, you will remain shooting assigned yardage and/or assigned classification. There will be no bump of classes on Tuesday or Wednesday.

13) In an effort to avoid unused positions, it is imperative that you either cashier or release all positions that you have squadded for prior to the event. **Anyone that does not cashier or release positions that have been squadded in their name will risk having any or all subsequent squadded positions in their name released by management.** You may call the office at (641) 648-4458 if you can not make it to the club in time and have your position released.

14) Dogs must be leashed during shooting hours.

15) Shooters must present their ATA number to presquad.

HALL OF FAME CONTRIBUTOR AWARD

The \$20 fee for this award is a 50% tax-deductible donation to the Hall of Fame. The purpose of this donation is to further the Hall of Fame expansion and worthy projects such as the Youth Trapshooting Program. All donors will qualify for the Hall of Fame Award. Your entry card shows this contribution and is your receipt. The Hall of Fame will retain 50% of the donation while the remainder will constitute the portion to be awarded. Monies will be paid out in three Lewis Classes, 60/40 high gun each class. The high score in the event will receive a Shamrock Leathers specially crafted four-box shell carrier suitably engraved.

NOTE: Any ties will be resolved by shoot management's discretion.

HEARTLAND GRAND PRE- SQUADDING RULES

1. You can pre-squad on line at www.presquad.com
2. Request forms received before or including August 15, 2010 will be given equal priority and drawn at random. All request forms received after this date will be processed by received date. No request forms will be accepted after August 22, 2009.
3. The non-refundable service charge of \$2.00 per position, per event, must be included with your request form.
4. If you draw squad positions that will not be used for an event, please see squadding personnel to release your position. Releasing your position allows us to fill holes in open squads, making this tournament more enjoyable for all shooters. **A shooter may not draw more than one (1) position per event.**
5. In an effort to avoid unused positions, it is imperative that you either cashier or release all positions that you have pre-squadded for prior to the event. **Anyone that does not cashier or release positions that have been pre-squadded in their name will risk having any or all subsequent pre-squadded positions in their name released by management.** You may call the office at 641-648-4458 if you can not make it to the club in time and have your position released
6. There will be a drawing made by the management for bank assignments for each day. These bank assignments will be posted the night before at the club houses and around the trap line. If you sign up after the bank assignments have been posted, you must take a position on the first available squad. There will be no exception to this rule.
7. **A shooter may only draw one position per event.** Any shooters wishing to squad together must fill out only one application indicating the shooters full name, ATA number, and handicap yardage on the line indicating which position that shooter wishes to shoot. Applications for full or partial squads that do not have each shooter's information completely and properly filled out will not be honored. **Multiple applications for any individual will be discarded and will not be refunded.** The first application encountered will be processed only.
8. **Squadding will be restricted to a maximum of 2 yards on a squad**
9. Event 15 is limited to 100 squads. Once this limit has been reached, all further request for this event will not be honored. Any request not honored for this event only will be refunded.
10. Telephone requests will not be honored.

Please enclose check for the total amount of the service charge made payable to:
