Effective 18 March 2015, for Satellite Grands and ATA Zone Shoots:

All American Points Pins are no longer considered to be trophies by themselves. This means that category shooters who earn a "Pin-Only" award (e.g., 3rd Place in the Singles Championship) in their category are eligible to win a class, place, or yardage group trophy.

All shooters, regardless of class, category or yardage group are eligible to win the "Event Champion" All American Points Pin.

Only non-category shooters are eligible to win All American Points Pins for any "Open" place (i.e., R/U - 3rd in the Class events, R/U - 5th in the Preliminary Handicap, R/U - 4th in the Singles and Doubles Championship events, and R/U - 10th in the Handicap Championship event).

NOTE: Because of these new rules, in the Class Singles and Doubles events it will be possible for a category shooter to win any of the trophies available since there are no category trophies, only category points pins. Effective 18 March 2015, for Satellite Grands and ATA Zone Shoots:

Shoot-Offs/Carry-Overs

From the ATA Rule Book, page 60:

"In the event that no Trophy is awarded and contestants are eligible and tied for All American Points Pins, ties may be decided by their reverse score on the events in question on full sub events. If ties still exist shoot management may resolve ties by coin flips or other gaming methods. All point pin positions for categories and for open classes will be decided in this way."

The Zone Shoot Administrator will upload the reverse scores and carry over scores necessary to resolve any ties for "points pin only" awards.
